

Finally, a great range of grab-and-go sandwiches, wraps and toasties designed to maximise sales and profits!

Our advanced breakthrough successfully combines the convenience of a frozen product with the taste profile of a fresh product. With 3 years development work under our belt, we've found a way to lock in that freshness taste. But don't just take our word, read what one of our customers had to say...

"I can't believe these products are frozen. The bread feels fresh, the fillings are great. I'm impressed" John – Service Station Owner, NSW

Available nationally – all metro and regional areas

Product Benefits

Minimum Wastage & Maximum Sales

Our frozen range of products means you can minimise wastage whilst ensuring no potential sales are lost by always having stock on hand.

Looks & Tastes Fresh!

With 3 years development work under our belt, we've found a way to lock in that freshness taste. So our products not only look great but also taste like they were made that day.

Superior Quality Guaranteed

We take the best ingredients, brought in fresh for each day's production and blast freeze them immediately to lock in the freshness.

National Distribution Available to all metro and regional areas across Australia

HACCP Accredited So food safety and quality are assured

Testimonials

What our customers are saying about us

"I'm on the road a lot as a Rep and so I'm always looking out for something that's quick and easy. These are probably the best sandwiches I've had from a service station!"

Shanna - Sales Representative, Melbourne

"I love them, They taste great and they're filling"

Mike - Electrician, Brisbane
